Thanks, Hope, I've addressed Mark's comments in the addendum. Should I send to BAB for review?

Hi Hope,

That is correct. We (IVB2) are busy finishing up the details to the decision, response to comments and the registration notices, this morning.

Let us know when you have the addendum to post. Thank you for all of the help from you and your teams.
Debra

Hi to you all!

I assume with the cancellation of the 11am meeting you don't require anything additional from BEAD?

FYI- we did find a minor reference missing from the document- but nothing that affects the decision at all and your work. We are working to create an addendum to add in this missing reference, and will send to you to add to the docket post-Registration. Let me know if you have any questions/concerns.

Hope
